High Absorbent Reinforced Rubber Backed Mat

The Absorbent reinforced rubber backed mat is an easy to clean open square pattern design. The small square pattern on the surface is reinforced to prevent the pile from crushing. This means that the mat remains fully functional and retains its appearance for the life of the mat.

Features:

- Anti-Static
- Pile Material 100% Polypropylene
- Backing 100% Nitrile Rubber
- Total Height 9.5mm
- Pile Structure Heat Pressed Loop Pile
- Water Absorption up to 7ltrs/m²
